

Midland and Northern Counties French Bulldog Club open show April 1st 2018

Judge Jane Morgan –Tytorro

Firstly I would like to thank the Committee for putting me to ballot and the club members for voting for me to judge this show . I am honoured and very proud to have been invited to do so especially as it was the first club show of the three for this year to fall in the club's 60th anniversary . I had a wonderful day judging the dogs . Thank you to the hard working Committee for a superbly run show and to my wonderful steward Richard Mavro Michaelis who did a fabulous job . Heartfelt thank you's to all who entered and bought their dogs along for me to assess , I was very impressed with quality and condition of the dogs presented and very pleased to notice an improvement in nostrils and general soundness. I had some extremely difficult decisions to make as the quality of the dogs was superb.
